

**Prof. Dr. med. Volker Heinemann**  
**Department of Medical Oncology and Hematology (Medical Department III)**  
**Comprehensive Cancer Center (Krebszentrum München)**  
**Ludwig-Maximilian-University of Munich – Campus Grosshadern**  
**Munich, Germany**

Prof. Heinemann is the Director of the Comprehensive Cancer Center at the University of Munich. His outstanding achievements in treating and studying cancer treatment were recognized in 2013, when he received the German Cancer Award (Deutscher Krebspreis).

In addition to treating patients and teaching oncology at the University of Munich, Prof. Heinemann is currently Chair of the German Arbeitsgemeinschaft Internistische Onkologie (Working Group of Medical Oncology, or AIO) as well as the AIO's Pancreatic Cancer Working Group, and a member of the steering committee of its Colorectal Cancer Working Group. He is also Co-chair of both the Tumor Center Munich (TZM) and its Gastrointestinal Cancer Working Group.

Prof. Heinemann is a member of Editorial Boards of the *European Journal of Cancer* (GI Oncology Section), *Senologie and Onkologie*. His numerous scientific articles have appeared in such major cancer journals as the *Lancet Oncology*, *Journal of Clinical Oncology* and *Annals of Oncology*. He is also a member of American Society of Clinical Oncology (ASCO), Deutsche Krebsgesellschaft (DKG), and the German Society of Senology.
